Congratulations to Ted and Jean Williams

Ted and Jean Williams, parents and long time supporters of services provided by the Franklin County Board of Developmental Disabilities, have been featured in a statewide campaign to recognize the 50 year anniversary of County Boards of Developmental Disabilities. The campaign is being led by the Ohio Association of County Boards and emphasizes the theme of '**Always There**' to recognize that County Boards have always been there for the past 50 years to support individuals with developmental disabilities. Jean and Ted are featured on posters and videos that will be used all over Ohio. For further details on the campaign, click on the following link:
