COTA to Launch Redesigned Bus Network on May 1

More Service, Better Service, coming May 1, 2017

Many individuals with disabilities benefit from reliable public bus service so we thought our *NewsBits* readers would be interested in the following news.

Bus service throughout the region will be enhanced when the Central Ohio Transit Authority (COTA) launches a redesigned bus network on May 1. The redesign is a complete overhaul of the COTA network that will provide simplified routes, increased frequency, connections to more places, reduced bus congestion downtown, and service to more jobs.
