New Provider Rule

A new *Provider Certification* rule (5123:2-2-01) is projected to go into effect October 1, 2015. The rule establishes procedures and standards for certification issued by the Ohio Department of Developmental Disabilities to providers of Supported Living services, including Home and Community-Based Services provided to individuals enrolled in Medicaid waivers administered by the Department. For additional details, visit the Ohio Department of Developmental Disabilities web site or call 1-800-617-6733.
