#### **'The Hero Within' Art Installation Gets National Exposure**

WOSU TV has learned that PBS NewsHour has shared their documentary about the Sunapple art installation at the Cultural Arts Center on its art blog and has placed it on social media channels. WOSU TV featured 'The Hero Within' on the television show 'Broad and High' last week. Congratulations to ARC Industries on this national exposure. The art installation can still be seen at the Cultural Arts Center until November 14. It is a wonderful display, created by artists served in the FCBDD adult services programs.
