Technology Summit Registration is Open

Registration is open for Ohio's TechSummit to be held on June 15, 2018 from 9am to 4pm at the Renaissance Columbus Westerville-Polaris, 409 Altair Parkway, Westerville, Ohio. The event is free for the general public and \$50 for professionals. Participants will be able to sample devices designed to support people with developmental disabilities, try out technology to enhance independence, hear from families and learn about other supports for home or work.

For details, contact Jordan Wagner at OSU's Nisonger Center at Jordan.Wagner@osumc.edu. To register, click on the following link: <http://nisonger.osu.edu/adult/resources/technology-project/techsummit/>
