Anthony Hartley to Join ARC Industries Team

Bob Gaston, CEO of ARC Industries, has announced that Anthony Hartley will join ARC Industries as their Chief Operating and Financial Officer. Anthony was hired as FCBDD Director of Community Transportation Services in 2017 and has provided leadership with the transition of adult transportation services in response to federal requirements for Ohio's County Boards of Developmental Disability. Anthony will continue to support all transportation operations throughout 2018, while assuming additional responsibilities for ARC Industries.
