Census Update in Regards to Coronavirus (COVID 19)

U.S. Census Bureau officials are reminding individuals to complete the Census online or on the telephone. Information is being sent to most households this month. Census officials are considering delaying some deadlines and actions, including delaying visits from Census takers for those households that do not respond online or by telephone. The public can respond to the 2020 Census online at 2020census.gov or by calling 844-330-2020.
