OSDA Town Hall Meeting--April 9

The Ohio Department of Developmental Disabilities (DODD) is planning to make changes to simplify and align the Level 1 and Self Empowered Life Funding (SELF) Medicaid Waivers.

OSDA (Ohio Self Determination Association) is hosting a virtual "Town Hall" to discuss these changes and to hear what you have to say about them.

Date: Friday, April 9, 2021

Time: 10:00 am to 12:00 pm

You will hear a brief presentation from Jeff Davis, Director of DODD and staff from the Division of Medicaid. After the presentation you will go into breakout rooms to talk about the above questions and any others you may have.

The "Town Hall" meeting is FREE, but registration is required.
