Hearts of Glass Film

The Ohio State University Nisonger Center and the Ohio Developmental Disabilities Council are excited to bring you the award-winning "Hearts of Glass" documentary! Previously scheduled for April 2020 at Gateway Film Center but canceled due to the Covid-19 pandemic; we've now gone virtual!!

This film showcases the employment of adults with intellectual and developmental disabilities and highlights the importance of competitive wages and inclusive employment in a high-tech vertical greenhouse; Vertical Harvest.

Join a lively discussion with the filmmaker, Vertical Harvest employees, Opportunities for Ohioans with Disabilities, Ohio DD Council and The Ohio State University Nisonger Center.

You can stream the film at your convenience between Friday, April 9th and Saturday, April 17th [HERE](#). We invite you to watch the film and join the panel discussion at 4 p.m. April 15th, 2021.
