Bus Staff Appreciation Day

Today, May 3, 2021, is School Bus Staff appreciation day. It is most appropriate that we recognize the Bus Drivers, Assistants, Service Department staff and all the other support staff within the Franklin County Board of Developmental Disabilities (FCBDD) Transportation Department.

Thank you to this staff for providing excellent, timely and safe services to hundreds of children every day. This past year has required extraordinary additional commitment associated with the COVID pandemic, not the least of which has been to make sure the buses are safe and clean for students. We salute the FCBDD Transportation staff!
