Columbus Zoo Sensory Friendly Night--November 16

The Columbus Zoon will have a sensory friendly night on November 16 from 6:00 to 8:00 p.m. Members can attend at no cost and \$16.99 for general admission.

There will be smaller crowds because there are limited tickets for this event.

- Holiday music throughout the park will be turned off for the evening.
- Strobing, flashing and blinking light effects will be dramatically reduced throughout the Zoo.
- Sensory kits with noise-canceling headphones, sunglasses, and fidget devices will be available at Guest Relations for a \$10 refundable deposit.
- A limited number of indoor areas will be open to guests.
- Santa will not be at the Zoo for this event, but a special sensory-friendly Santa experience will be offered in December. Reservations will open soon!
