#### Marci Straughter Appointed to Board

The Franklin County Commissioners have appointed Marci Straughter to a four year term on the Franklin County Board of Developmental Disabilities (FCBDD). Marci will be the first person who receives services from the Board to serve as a Board member. Marci joins 6 other Board members who have experience in finance, business, government, technology and legal matters. Currently five of the Board members are parents of individuals who have developmental disabilities. According to Jed Morison, Superintendent/CEO, "we are excited to have Marci join the Board and know she will bring an important perspective to our work."
