Ohio Tech Ambassador Event on March 29

The Ohio Tech Ambassadors are excited to introduce another of their new Tech Ambassadors to Ohio – Jen Schlegel!

Get ready to see how Jen uses technology to live more independently and how she is slowly but surely automating as many parts of her life as possible. Please pass this flyer along to anyone you think might be interested – especially individuals and families.

Register for the **Intro Event with Jen Schlegel** happening Tues, 3/29 at 6pm: https://us06web.zoom.us/webinar/register/WN_INkb44-8QZazavTwSWRSag
