### **National Disability Employment Awareness Month**

The U.S. Department of Labor has announced that, in recognition of the vital role people with disabilities play in making the nation's workforce diverse and inclusive, "**Disability: Part of the Equity Equation**" has been chosen as the theme for October's National Disability Employment Awareness Month 2022.

Led by its Office of Disability Employment Policy, the department's annual observance of National Disability Employment Awareness Month acknowledges the contributions to the nation's economy made by workers with disabilities, current and past. The commemoration also showcases supportive and inclusive policies and practices benefiting workers and employers.
