Preschools and School Programs Resume Next Week

The preschools and school programs of the Franklin County Board of Developmental Disabilities will resume from summer recess next week with most staff returning on August 22, 2022.

Classes for students at West Central School and Transition Services will begin on Wednesday, August 24 and preschool classes will begin at the Early Childhood Education and Family Center (2879 Johnstown Road) and ECLC (Early Childhood Learning Community, Rudy Road) on Monday, August 29 following parent visitations the previous week.

We look forward to the start of another excellent year with the return of students and staff, including new Principal Rebecca Holthaus at West Central.
